**Big Bite Tenderbite Burgers** The big bite has all the same great characteristics of the tenderbite burgers with one discernible difference...the flavor. The big bite is a highly seasoned patty. Designed with a beef flavor system built right into the burger. This product delivers on flavor and juiciness. The last bite is as juicy as the first. 75/25

**“Burgers...the true American icon. The public’s craving for the juicy, beefy sandwich is far from satisfied.”**

At Appert’s, we manufacture many different types of hamburger patties to fit all of your needs. Our selection comprises a wide spectrum of sensibilities to meet your expectations.

We deliver the highest quality product to your door because we start with 100% USDA-inspected beef. You can be assured that the Appert’s brand of beef patties are manufactured under strict USDA guidelines for quality, consistency and safety.

Burgers continue to dominate the food service industry as the most popular menu item nationally. Our goal is to provide you with a selection of products to maximize your patron’s enjoyment and your profits.

Our professional sales staff can help you with your burger selection. They can also assist you with stunning accessories such as buns, cheese, condiments and more. These choices will dazzle your patron’s by adding interest and personalization to your menu. Have fun and build burgers that suit your menu and restaurant style.
