

**NEW! From**

# TAP ...into the future!

***The Training Achievement Program Series (TAPs) is a collection of computer based training programs designed to train and educate foodservice operators and their staff.***

***TAPs unique teaching process allows for real-time uninterrupted learning experience by using colorful graphics, animations, full motion video, audio, and interactive learning exercises. TAPs exceptional self-paced and self-teaching courses allows individuals to learn the material based on their schedule while maximizing retention of the material.***

## **The TAPs courses available for purchase through Appert's Foodservice include:**

- **Food Safety Manager Certification Training**
- **Food Safety Manager Re-Certification Training**
- **HACCP Managers Certification Training**
- **Cooking Basics**
- **Online Alcohol Seller/Server Certification**
- **Strategies For Increasing Sales**
- **Earn More With Service**

## **Appert's is also an approved Food Safety Certification Testing Center**

As of July 2000 ALL Minnesota restaurants are required to have one full time safety manager employed per establishment.

## **Appert's Food Safety Certification Program**

Our food safety courses take approximately 12 hours to go through and then the customer must call to schedule an exam date and time.
